To Whom it Concerns:

I hope this letter finds you well. We are writing to inform you about an important change regarding the facilities used by the 789 RCACS.

Starting from 21 November 2024, our squadron will be relocating to a new weekly training facility for our Thursday night, located at Peel Regional Police Emil V. Kolb Centre (180 Derry Rd E, Mississauga, ON L5T 2Y5). This decision was made to better accommodate our growing number of cadets and to provide a more conducive environment for their training and activities.

The new facility offers several advantages, including:

- **Enhanced Training Spaces:** Larger and more versatile areas for drill, physical training, and other activities.
- **Modern Amenities:** Updated classrooms and meeting rooms equipped with the latest technology to support our educational programs.
- **Improved Accessibility:** Better access for all cadets, including those with mobility challenges.

We appreciate your understanding and support as we make this transition. Our goal is to provide the best possible experience for our cadets, and we believe this new facility will greatly enhance their training and development.

We also understand that this change may require some adjustments, and we are committed to making the transition as smooth as possible. If this change creates any difficulties or requires an accommodation, please reach out to me directly.

If you have any questions or concerns, please do not hesitate to contact me by email at [athma.suraj@cadets.gc.ca](mailto:athma.suraj@cadets.gc.ca) or by phone (647) 217-8726.

Sincerely,

Athma Suraj
